### **PRACTICING**

Here are some options to practice this list:

1. Fold down the key on the front side so that you can look at the map without seeing it. Try to name them in order. You can glance at the right answers when you need.
2. Go to <https://online.seterra.com/en/vgp/3185?c=3KAZR> there you will find an interactive map quiz with all of these on it (except Mongolia).
